

## 2019 SENATE JOINT RESOLUTION

1       **Relating to:** opposing and condemning the passing and holding of the Articles of  
2            Impeachment against our duly elected President, Donald J. Trump.

3            Whereas, the citizens of the United States of America deserve and expect a  
4            federal government that reflects the will of the people, works tirelessly to pass timely  
5            legislation, upholds the Constitution, and is capable of avoiding distracting  
6            partisanship charades to keep moving our country forward; and

7            Whereas, Congress is responsible for addressing several complex issues, which  
8            include defending our borders, maintaining our vast military superiority, spending  
9            our tax dollars wisely, and respecting our states' rights; and

10           Whereas, regardless of these outstanding issues, House Speaker Nancy Pelosi  
11           and Congressional Democrats have focused their time on adopting Articles of  
12           Impeachment against our duly elected President, Donald J. Trump, despite no  
13           evidence of wrongdoing; and

14           Whereas, these unprecedented Articles of Impeachment have distracted  
15           Congress from faithfully executing its duties to the American people and instead

1 have created an atmosphere of distrust and disappointment for the people of our  
2 great nation; and

3 Whereas, after weeks of the House holding on to the Articles of Impeachment,  
4 it is time to for the Senate to provide a thorough yet expedited resolution to these  
5 unprecedented, obviously partisan, impeachment claims; now, therefore, be it

6 ***Resolved by the senate, the assembly concurring, That*** the Wisconsin  
7 Legislature opposes and condemns the passing and holding of the Articles of  
8 Impeachment against our duly elected President, Donald J. Trump, instead of  
9 addressing the serious issues facing our country and upholding the Constitution,  
10 which every member has sworn to uphold; and, be it further

11 ***Resolved, That*** the Wisconsin Legislature supports U.S. Representatives Jim  
12 Sensenbrenner, Glenn Grothman, Mike Gallagher, and Bryan Steil, who voted  
13 against the Articles of Impeachment and have called on Congress to focus on fixing  
14 the many problems our country faces; and, be it further

15 ***Resolved, That*** the Wisconsin Legislature demands a fair and speedy trial in  
16 the Senate to end this partisan impeachment process of our duly elected President  
17 and to return focus on working to deliver results for the hard-working men and  
18 women of the United States of America.
