Photo Submissions Form

Deadline: January 31st, 2017

Thank you for submitting your *local outdoor photos* for consideration as wall art for our new hospital.

Submission Guidelines

- Pictures must be digitally formatted as a JPG file.
- Pictures must be at least 300 pixels per inch
- If any submitted media contains a virus, it will be rejected
- Pictures can be landscape or portrait
- Submissions will not be returned
- No date and time stamps can appear on the photos
- No professional logos can appear on the photos; Spooner Health will add personal names to the lower right hand corner of the photos selected for display
- No monetary compensation will be provided for any photo submission
- By submitting a photo, you grant the hospital full exclusive use of your photo
- Submissions without the form/signature will be rejected
- **Before sending photos, rename each photo with your last name, location/brief description of the photo i.e. *Johnson, Sunset on Spooner Lake; Richter, Yellow River***

Photos can be submitted in the following categories:

- Wildflowers & Trees
- Nature—Landscapes or Close-up
- Rivers, Lakes, Streams
- Seasons
- Sunsets & Sunrises

Number of photo submissions: _____ (Please limit submissions to a maximum of 24)

By signing, I am granting permission to Spooner Health to reproduce my photos as wall art for no monetary compensation. This includes but is not limited to: patient rooms, waiting rooms, hallways, registration areas, and meeting rooms. My photo may also be used for other purposes as Spooner Health wishes such as on notecards.

Print Name_____ Phone Number _____
