NO SCHOOL MONDAY 2/15

Next Week 2/16-2/19

Our school is proudly participating in The Great Kindness Challenge, a week-long program dedicated to creating a culture of kindness and compassion in communities worldwide. To help our students “practice kindness” and put their compassion into action, they will receive a Great Kindness Challenge checklist. We will encourage all students to complete as many acts of kindness as possible at school and we hope you will celebrate them from home!

Together, we will lift each other up, cheer each other on and show the world that KINDNESS MATTERS!

Hello Teens at Shell Lake School!

It is time for the Shell Lake School Library to get some insight from the teens we serve. The purpose of a Teen Advisory Board (TAB) is to make sure every teen's voice is heard and to focus on issues relating to the youth at our school.

Would you like to create fun, interactive, educational programs for the teens of Shell Lake? TAB would plan meetings, impact changes to the school library, and host fun events. All Shell Lake School teens ages 13-18 are invited to participate.

This is an amazing way to get involved in your school library. If you are a teen interested in joining the Teen Advisory Board, please contact Mrs. Howell at howellk@shelllake.k12.wi.us.

Driver's Education

If you are a student who was born before 10-31-2006 and have not yet had Driver's Ed, this is for you. There is an informational letter for you to pick up and bring home to your parents and then there will be a sign up next week for those of you who may want to take the class this summer. All the information that you need is on the sheet, and you need to be a responsible young adult and bring it home to show your parents or guardians so they can have the discussion with you about whether or not you can take the class this summer. The sheets will be in the "Student Services Office". Make sure you stop and pick it up- **IT IS YOUR RESPONSIBILITY IF YOU WANT TO DRIVE.** I will not be calling or sending things home for you- DRIVING IS A HUGE RESPONSIBILITY and you need to start showing that you are ready for it by picking this up yourself.
