HAND DELIVERED

Governor Evers and Attorney General Kaul:

I am calling on you to investigate, to the fullest extent, how the election was handled in Green Bay on November 3, 2020.

The public has a right to know to what extent Democrat operatives and mayoral staff, among others, interfered with the job of clerks in administering elections.

I am a county clerk with 12 years' experience. Never, under any circumstances, would I have allowed this type of behavior. The pressure, meddling, and potential illegal activity pushed by Mayor Genrich, his staff, and the Democrat operatives with whom he was working, led to the resignation of a clerk who could not work under that environment.

The boundaries of laws and ethics were clearly pushed, if not outright broken.

If individuals like Mayor Eric Genrich, Michael Spitzer-Rubenstein, or any others, are guilty of violations of Wisconsin law, I ask that they be prosecuted with the harshest felony or misdemeanor charge available.

If you refuse this request, you must answer to me and to the people of Wisconsin as to why you do not value the sanctity and security of, or the public's trust in, our state's elections.

I have spent years upon years of my life ensuring that Wisconsin's election system is free and fair and that every Wisconsinite believes their voice will be heard. The actions taken by these people in Green Bay undermines those objectives, and you must join me in finding the truth.

Sincerely,
