4th Grade & Tech Squad News

Mrs. Burns 4th grade class finished a read aloud- Front Desk- a few weeks ago. As soon as we finished, they begged to write a play for it. As a result of their own student-led learning, they used Google Docs to write a collaborative script in small groups, created a mini-play, and then..

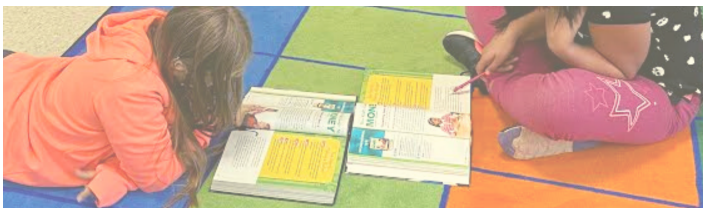

We partnered with Mrs. Howell and the 6th grade Tech Squad! These awesome 6th graders came in with Mrs. Howell (and used other time to meet with my small groups) and taught my class how to record their skits, use a green screen, edit, add music, etc!

We celebrated on Wednesday with a viewing of the final product and popcorn (Thanks, Mrs. Howell)! We all learned SO much together!
