District News

Attendance Reminder

Please let your school secretary know if your student will be gone for the day by 10:00AM. This ensures that student absences are reported correctly.

PK-6th Grade Parents:

Please call Ms. Shelly, you can reach her at 715-468-7815 and via email at joneess@shelllake.k12.wi.us

7th-12th Grade Parents:

Please call Ms. Amanda, you can reach her at 715-468-7814 and via email at nielsena@shelllake.k12.wi.us

Wisconsin's Tornado and Severe Weather Awareness Week April 12th-16th

Shell Lake staff and students participated in their annual tornado drill Wednesday April 14th. Staff and students discussed the actions they would take in the event of a tornado watch and warning. Class cohorts were then released at staggered times to find their shelter in place location while following covid guidelines.

The state of Wisconsin suggests everyone set aside some time during the week to practice the actions you would take if there was a tornado. Practice going to your place of shelter and discuss your plans with your family.

Shell Lake School Nutrition

<i>Milk offered daily 1% or Chocolate Skim</i>				

Students of the Week

4/16/2021

4K-6th Student of the Week:

Peri Hansel, 3rd grader daughter of Tyler Hansel and Samantha Elliott. Peri has such a big heart. Selfless, caring, and hardworking are just a few ways to describe what a great student she is. She is a friend to all of her classmates and always has a kind word to say to them. I am so proud of all of her great academic accomplishments she has made this year. Congratulations on being nominated as student of the week

High School and Middle School Students of the Week:

Katlyn Imrick,

Our High School Laker of the Week is Freshman Katlyn Imrick. Her parents are Tim and Bridget Imrick. Katlyn is involved in Shell Lake's Chapter of Future Farmers of America.

One staff member said,

"She has a great attitude, wears a smile on her face, works hard and has a keen sense of humor!" Mrs. Roder enjoys Katlyn in her class! She commented, "Katlyn Imrick is one tough young lady! She works hard in and out of school and never complains. She can be the hardest worker in a classroom when she needs to be, always finding ways to accomplish tasks with little to no extra guidance. She is never bored and can make the entire class laugh. She is a great conversationalist...even when she should not be talking ;)" We can't wait to see what the next 3 years of High School hold for Katlyn! Way to show the Laker Spirit, Katlyn!

Annalynne (Al) Pearson,

Our Middle School Laker of the week is 8th grader, Annalynne (Al) Pearson. She is the daughter of Cody Pearson and Kyna Mullen. Teachers were bursting with things to say about this young lady. Here are their comments: "Al is the BIGGEST fan of Hamilton! She's an artist, but not necessarily through drawing. She brings any story to life with her voices and her animated personality.

I am always delighted to have her in class." "Al is a wonderfully positive influence in 8th Grade Spanish! Her enthusiasm and excitement to speak Spanish are contagious! She is also an incredibly kind person - when she was doing a speaking assessment with another student, she encouraged her partner by saying "No te preocupes! (Don't worry!) You got this!" I love having her in class." "I observe Annalynne Pearson to be focused in class and driven to complete her work on time. She asks good questions as she wants to learn the course content deeply." Al is very matter of fact in a good way, in my eyes. She can respectfully question adult motivations as a way to help her discover the rationale for just about anything. Al is a hard worker and prefers quiet places to do her work. She is very responsible for her learning. She wants to know why, not just how, and any topic is fair game. This is an aspect of maturity not seen in many her age. Aside from all of that, Al is a great friend, filled with empathy as she worries about others more than herself at times." "Al is such a pleasure to see every morning--her bright smile makes my day!" Way to show the Laker Spirit, Al!!

7th-12th Laker School News

4/16/2021

Shell Lake Public Library Events

"Plogging" is the combination of jogging and picking up litter. It combines the Swedish words "plogga up," which means "to pick up" and "jogga," which means "to jog." Yes! It's a real thing!

Shell Lake's CLC Program is supporting Hunt Hill and planning to 'plogga up' in honor of Earth Day on April 21 & 22! ALL KIDS at the after school program will participate in this walk & run activity while picking up trash along the way!

Medals have been made and the bib #'s are ready! Families! YOU CAN SUPPORT HUNT HILL, too! Visit their fundraising page at <https://hunthill.org/plogging-5k/> for registration information!
