Some wish it would happen.  
Others make it happen."

Congratulations to **all** our 5th & 6th grade students who competed in the 2021 March Madness Typing Tournament sponsored by our school library. **YOU** made it happen. For over 6 weeks, students were given a weekly typing test to move through the March Madness brackets. Students were encouraged to use the time between each weekly competition to increase their typing accuracy and speed. By the end of the tournament 40 students had achieved at or above state standards for typing (i.e., 25 wpm for 5th grade, 30 wpm for 6th grade).

## High School and Middle School Students of the Week:

**Violet Greiner**, 8th grader. Violet is the daughter of Jason Greiner and Jenny Mills. Each of her teachers commented on what a hard working, pleasant student Violet is! “Violet is dedicated to working hard, and she is a super friendly face to see every morning. She has a quiet confidence that lights up the room.” is how Ms. Schunck described her. Mr. Kunselman, her band director, added, “Violet has made great improvements in band this year and has a great attitude.” Echoing others appreciation of Violet’s strong character Mrs. Olsen said, “Violet is a quiet, hard working student. She’s always respectful and friendly.” Way to show the Laker Spirit, Violet!

**Cassidy Johnston**, Freshman. Cassidy is the daughter of Wayne and Eva Johnston. Mrs. Kunselman, her Chemistry teacher, said, “Cassidy is a joy to have in class. In addition to being respectful and kind, she is dedicated to doing her best. Her efforts to complete work on time, be prepared, and ask questions to ensure her learning are traits that will serve her well for the rest of high school and beyond.” Mrs. Roder & Señora Johnson shared similar insights saying, “She has worked hard to be successful and is always asking how she can help. She is polite and respectful.” & “Cassidy is a very hard-working student.
