Reminders and Changes for 2021-2022

- ★ Cell phones are not to be used except before 8:15 AM, during lunch, and after 3:25 PM. Students who choose not to follow this rule will ultimately lose the privilege of bringing a phone to school.
- ★ Hats are not allowed on campus- including the parking lot. Hats make it harder for me to identify people with our overhead security cameras. We currently have these in the school and in the parking lot.
- ★ Beverage containers with a secure top are allowed. We'll see how it goes. Students: just try not to make a mess. If you do make a mess, clean it up completely. The custodians shouldn't even have to know it happened.
