Shell Lake School District Board of Education Announces Superintendent Search Survey

The Shell Lake School District is beginning the process of hiring a full-time superintendent to start work on July 1, 2022. The Board of Education is interested in gathering input from staff and the community related to the hiring of the new superintendent. A Community Survey is one of the tools being used to help gather this information from the various stakeholders in the district. The information gathered from the Community Survey will assist the board in the creation of a profile outlining the skills and characteristics sought in candidates for the position, and to help in the development of questions to be used in the interviews.

COMMUNITY SURVEY link: www.shelllake.k12.wi.us or a paper one can be obtained in the District Office.
