# PK-6th News

Students in grades 4-6 participated in a first ever *Battle of the Lakes* reading experience that culminated in a virtual competition with Clear Lake Elementary on December 15th. We are so proud of our **56** students who *voluntarily* read books and competed this fall. Students were challenged to read eight books as a team from October through December and work together to answer questions about the books. Of the 40 teams who participated, we had 16 represented from Shell Lake. We are proud of our students for persevering and showing up through a variety of challenges. Though Clear Lake took 1st and 3rd overall, we had three of the top five teams. Way to go Lakers!

Congratulations to our Shell Lake 1st, 2nd, and 3rd place Battlers!
