Help Kids Fight Cyberbullying and Other Mean Online Behavior

Most kids will encounter mean behavior at some point in their digital lives. For some kids, this experience is a blip that's easily forgotten, while for others it can have deep, long-lasting effects. For parents, the key is staying involved in kids' lives -- both online and off -- so they can step in and offer help if necessary. With guidance from parents and educators, kids can learn how to dodge the drama and stand up for others.

Media Release - Summer Food Service Program

Stressing the importance of offering nutritious meals to children during the summer months, the Shell Lake School District announces the sponsorship of the Summer Food Service Program.

The Summer Food Service Program (SFSP), which is funded by the U.S. Department of Agriculture (USDA) and is administered by the Wisconsin Department of Public Instruction, provides nutritious meals to children during the summer, when free and reduced-price school meals are typically unavailable. Free meals will be made available to children 18 years of age and under. Persons over 18 years of age who are determined by a state or local public educational agency to be mentally or physically disabled and who also participate in a public or private non-profit school program during the regular school year may receive free meals as well.

The following locations will be serving the free meals this summer Shell Lake Elementary School. Morning Snack will be served between 8:45 - 9:30 am and lunch will be served between 11:45 am - 12:30 pm. Meals are provided to eligible children regardless of race, color, national origin, age, gender or disability and there will be no discrimination in the course of meal service.

“This program fills a void created when school lunches are not available,” said Joshua Schmidt of Shell Lake School Nutrition. “Helping parents meet the nutritional needs of their children is the strength of this program.”

Non-discrimination Statement: In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA. Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotope, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at:

<https://www.usda.gov/oascr/how-to-file-a-program-discrimination-complaint>, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:
