

1st Annual "Totes For Tots"

FACT: Most children in foster care carry their belongings in trash bags because that is all they have.

I'd like to change that for the children in Washburn County. During the month of November, I'll be collecting & filling as many Medium Utility Totes as I can, to give to the 11 children in Washburn County Foster Care. My goal is to ensure each child has one for the holidays.

All commission from the sale of the totes will go back to the cause! I need to have all totes purchased by November 21st because that is when the Monthly Special ends & they are no longer available. \$35 purchase allows you to buy 2 of these bags for \$20 (\$10 each). I plan to shop on Black Friday to get the best deals on items to stuff them with.

Please consider giving to this cause!
