Middle School Choral Festival

The Shell Lake Arts Center hosted a Middle School Choral Festival on Thursday, April 13. 6th, 7th, and 8th grade musicians from schools all over western Wisconsin came together to form three choirs. The students rehearsed during the day, performed a combined choir song via live-stream for an arts advocacy conference, and put on a great concert that evening! Thanks for representing the School District of Shell Lake!

Back row, L-R: Ethan Harrison, Liam Russell, Quinn Schenkenberg, Brennan Shafer, Parker Klein

Front row, L-R: Saphira Hershey, Jonah Milleon, Ella Kostner, Brooke Granzin, Selene Johnson

Feed My People

REMINDER: The School Food Pantry is available and can be ordered weekly from Friday until Tuesday. New food will be available every 1st and 3rd Thursdays. The order form can be found on the [school website's front page](#). Click on the "Feed My People" logo to order!

PK-6th News

PK-6 Laker of the Week

Our PK-6 student of the week is Jeskia Glessing, 4th grade. She is the daughter of Joy Melton. Jesika is always kind to others. She is always respectful and always tries her best. She loves her teachers and always makes sure to make their day!!

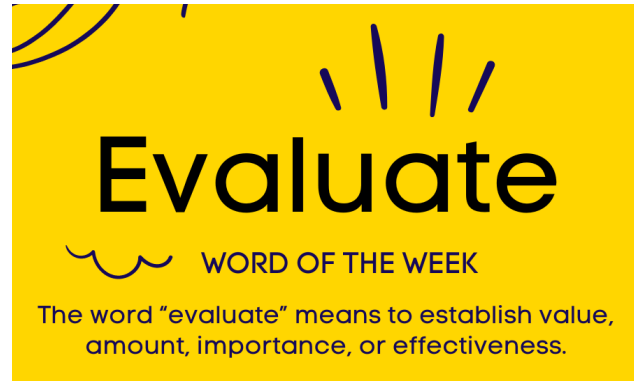

~Mrs. Boucher

Change for a Change

Our Laker Family can make a difference in our community! Shell Lake Elementary students and staff are invited to bring in change to their classrooms and dress up each Friday!

April's funds will continue to support and supplement:

The Shell Lake Public Library

Evaluate
WORD OF THE WEEK
The word "evaluate" means to establish value, amount, importance, or effectiveness.

5th Grade Cleans Up

7th-12th News

Seniors National Day of Intention

May 1st is the National Day of Intention -- it is the day all seniors are reminded to notify the college to which they are attending.

IF YOU APPLIED TO MORE THAN ONE COLLEGE, please email that college and let them know you will NOT be attending. Colleges will continue to market to you and call you and text you and email you if you have not notified them you are not attending. It's also polite to let them know you're not coming. If you've changed your mind, call the admissions office and let them know. It's all okay -- the important part is communicating your plan.

Congratulations to ALL OUR STUDENTS on deciding what they will be doing first (next fall).

Environmental Class Leads 5th Grade

The Shell Lake High School Environmental Science Class led Ms. Chase's and Mr. Yeager's 5th grade classes on a survey of a portion of the watershed that leads to Little Long Lake. Students from Mr. Russell's Environmental Science class are studying the watershed and they invited the 5th grade to join them in a cleanup of portions of Pederson Dr. and Bashaw St. and the adjoining school property. Students learned about "where the water runs" within the watershed and made sure the area was free of litter that accumulated over the winter.

Northwood Technical College Summer Camps

[Little Engineer/Cool Creator Robotics program](#)

This program gives students the ability to create an out-of-this-world Lego robot! Develop science, technology, engineering, art, and math (STEAM) skills by building and programming a robot to work in outer space. This program offers an excellent opportunity to understand and practice teamwork while learning about the universe. **For grades 1-3 & grades 4-6.**

[Don Johnson Nito-X Automotive Camp](#)

This camp has students discover how vehicles work, build your confidence with technical skills, work in teams to develop life and employability skills, gain exposure to the industry, and show off your skills in an auto race. Work with an auto professional to personalize a car body using the same materials and techniques in the auto body and collision repair industry. **For grades 6-8.**
