PK-6 LAKER OF THE WEEK

Jason Kelly, 6th Grade, is the Laker of the Week. He is the son of Patricia and Jason Kelly. Jay is an incredibly helpful, polite, kind, and responsible person. He is always looking for a way to help a teacher or classmate. He works very hard in his classes, follows every expectation, and treats others with respect. I'm so glad he came to Shell Lake this year! Mrs. Burns

WELLNESS WEEK

February 12-19th will be the Kids Heart Challenge!

February is American Heart Month and in honor of that, Shell Lake Elementary is teaming up with American Heart Association to provide information about heart health, involve fun ways to learn about it, fun activities to participate in, and ways to keep moving. American Heart Association has set up a fundraiser to help raise funds to protect all hearts, especially for kids. Each student who registers for the challenge online will receive a heart bracelet and those who complete the Finn's Mission online will receive a squishy ball. The Finn's Mission is a series of steps to complete to get the word out and try to raise funds, learn hands-only CPR, learn warning signs of strokes etc.
