Letter of Commendation

October 3, 2024

Deputy Noah Barker,

On Wednesday September 25th, 2024 you responded to an emergency call of a seven month old child actively choking. Upon arrival you found the grandmother and child. The child was choking and gagging. Through your training and experience you opened the child's mouth, depressed the tongue and were able to remove a large round plastic piece from the back of the child's throat. Once the obstruction was cleared the child could breathe normally.

If it weren't for your quick and calm response, coupled with training, this child could have been seriously injured or worse. For these heroic actions you are being presented with the Life Saving Award.

With Sincere Gratitude,

Sheriff Tracy Finch
