6th graders participated in "Greek Week", which was full of events such as Greek math with symbols, Greek mythology skits, Greek food tastings, a Panhellenic Games Simulation, a Greek Government Simulation, and S.T.E.A.M. Chariot building and racing.

Kids Heart Challenge will be February 10th-14th for all elementary students grades Pk-6th. Information has gone out via email, in the February Wellness Newsletter, and in your elementary student's folders. This challenge brings fun activities and fundraising for those children with special hearts. Click [here](#) for the dress up days and activities next week.

Students of the Week

Our Elementary Student of the Week is first grader Jada Furchtenicht. Jada is a kind and hardworking student. She is always helping her peers when they need help. Jada does her best work and comes to school ready everyday. She is a great role model and shows exactly what it means to follow the Laker Way! Way to go Jada!

This week, we are celebrating Michaela Fritz for her exceptional effort, dedication, and positivity. Her hard work and willingness to help others have truly stood out, and you set a great example for everyone. Keep up the great work- your efforts do not go unnoticed!

Our High School Student of the week is Alexa Dahlstrom. Alexa is a phenomenal example as to how to be a well rounded student. She is social and friendly, proactive, and completes quality school work. Way to go Alexa! Keep it up!

From our CLC Program:

Students must be registered prior to attending the After School Program for Lakers in grades 4K-6th. Details regarding dates and pick-up times can be found in the registration form below:
