The WEMTA sponsored, statewide Battle of the Books program is a fun, academic-based competition designed to promote a love of reading among our students. It encourages students to read a variety of books and remember information about the plots, characters, and settings of the books.

This year, Shell Lake had a school battle between 6 different Elementary teams to determine who would compete at the state level. The 6th grade "Fantasy Foals" competed against 255 other teams in the state and took 5th place!

And for the first time in over 5 years we had a Middle School Team: The Blue & Gold Book Keepers, participate at the state level.

We are so proud of our Laker Readers!
