**HUNTER EDUCATION INSTRUCTORS NEEDED!**

- ✓ Get more involved with your community.
- ✓ Network with others with similar outdoor hobbies.
- ✓ Teach others the skills necessary to safely handle firearms.
- ✓ Connect with local DNR staff.
- ✓ Promote the tradition of hunting in Wisconsin.

Hunter Education Instructors are valuable members of their communities – they're sought out by those looking to better understand firearms or those looking to start hunting but wouldn't know how to otherwise!

- Classes in your region are in great demand. Our current instructors don't have enough hands and cannot be in enough places to meet the dire need for classes.
- Start your own group to teach Hunter Safety. Our staff will help you and your group train, will provide the class materials and will serve as a resource for you as you begin to teach your courses.
- Schoolteachers and public servants, you're in a unique position to provide your community with a necessary, in-demand service. Teach Hunter Education as part of an outdoor skills course and gain valuable facetime with the members of the community you serve.

**SIGN UP TO BE A HUNTER EDUCATION INSTRUCTOR:**

- ✓ Be at least 18 years of age.
- ✓ Have graduated or meet the certification requirements of the Wisconsin Hunter Education Program.
- ✓ Pass a background check.
- ✓ Apply using the QR code or visit: [dnr.wisconsin.gov/Volunteer/InstructorCorner](http://dnr.wisconsin.gov/Volunteer/InstructorCorner)
