## Students of the Week

Our Middle School Student of the Week is Brooke Percy. Brooke works hard to be a leader in the classroom, is an active member of music classes as well as FFA, and leaves a lasting impression on her teachers and peers based on her efforts. Keep it up Brooke!

The high school student of the week is Kara Dahlstrom. Kara works hard and helps set a mature tone around her in a kind-hearted way. Teachers speak well of Kara and how she has shown courage in trying new things. Kara does not shy away from challenging herself and is a joy to have in class. Thanks for being you Kara!

- ✓ Get more involved with your community.
- ✓ Network with others with similar outdoor hobbies.
- ✓ Teach others the skills necessary to safely handle firearms.
- ✓ Connect with local DNR staff.
- ✓ Promote the tradition of hunting in Wisconsin.

Hunter Education Instructors are valuable members of their communities – they're sought out by those looking to better understand firearms or those looking to start hunting but wouldn't know how to otherwise!

- Classes in your region are in great demand. Our current instructors don't have enough hands and cannot be in enough places to meet the dire need for classes.
- Start your own group to teach Hunter Safety. Our staff will help you and your group train, will provide the class materials and will serve as a resource for you as you begin to teach your courses.
- Schoolteachers and public servants, you're in a unique position to provide your community with a necessary, in-demand service. Teach Hunter Education as part of an outdoor skills course and gain valuable facetime with the members of the community you serve.

**SIGN UP TO BE A  
HUNTER EDUCATION INSTRUCTOR:**

- ✓ Be at least 18 years of age.
- ✓ Have graduated or meet the certification requirements of the Wisconsin Hunter Education Program.
- ✓ Pass a background check.
- ✓ Apply using the QR code or visit:
