CLC/ AFTER SCHOOL REGISTRATION

Updates and Reminders:

September 26
Homecoming Parade

October 8
Picture Retakes

The after school crew is looking for staff! Do you enjoy working with Elementary School kids? If so, Shell Lake School's CLC After School Program could be a great part time position for you to spend 12-15 hours a week!

The position involves leading group activities in a supportive team environment after the school day ends.

Shell Lake Community Learning Center meets 5 days a week and serves students from 4K-6th grade. The purpose of the 21st Century Community Learning Center program is to provide opportunities for academic enrichment, including providing tutorial services, to help students to meet State and local performance standards in core academic subjects such as reading and math; to offer students a broad array of additional services, programs and activities, such as youth development activities, drug and alcohol prevention programs, counseling programs, art, music and recreation programs and more, that are designed to reinforce and complement the regular academic program of participating students; and to offer families the opportunity to participate in literacy and related educational development. All programming takes place at the Shell Lake School.
